

Diepe Sloot

This is an aerial map of a coastal region. The map shows a central urban area with a grid of streets. Surrounding the urban area are various land use zones: green areas representing parks or natural spaces, pink areas representing residential or commercial zones, and blue areas representing water bodies. Several labels are placed on the map to identify specific locations and features. The labels are: 'Diepe Sloot' (top left), 'Bakkum Noord' (middle left), 'Water-berging 1' (bottom left), 'KRW' (bottom center), 'Compensatie fietspad' (bottom center-right), 'Water-berging 2' (bottom center-right), 'Die-Ooster-veld' (top right), and 'Die-Ooster-veld' (middle right). The map also shows a network of waterways, including a large body of water on the right side and several smaller channels and ponds.
